WELCOME TO MONSTERS UNIV.

LETTER FROM THE LTG

Division 16

HOW DO YOU FEEL!?!?

Fall Rally South is118 days away (November 9, 2013) and Division 16 is here to TEAR IT UUUUUP!

I hope you are all enjoying your summer thus far and taking the opportunity of time not spent at school to serve others.

The Region 7 Beach Clean Up is coming up on July 20th at Dockweiler Beach and I sincerely hope many White Tigers attend! No ride? No problem!! The Region will be providing transportation for a minimum donation of $15 that will pick up at Burbank HS at 9 am and drop off at 7 pm. Region 7 members will be driving from Canoga Parks, Northridge, La Cresenta and more to Burbank, to OUR TERRITORY so Division 16 SHOULD have the most members there... but will we? Let's make it happen!! The goal is to have at least five members from each school attend; officers should already be in attendance. The more people, the more voices and the more spirit. We will be having a spirit session so let's show the region how FIERCE us White Tigers really are. It will be a day full of fun, service, cheering, and bonding. I guarantee that you will have a blast! However if you don't have fun, you can message me on Facebook, call me, or message me on my personal email (clumsia@gmail.com) with an APPROPRIATE question or dare that I must answer or do at the August DCM.

Do you accept the challenge? I know Paolo Esguerra does! So are you ready to show your stripes and show your Division 16 White Tigers PRIDE!? PUMP PUMP PUMP IT UP! PUMP THAT 16 SPIRIT UP!!

Not only is the Region Beach Clean Up a day for bonding with D16. We will be having our July DCM from 3:00 pm – 4:45 pm. We will be having a spirit session right after the DCM where your area can have the opportunity to win a spirit stick created by Fall Rally Task Coordinators (Jeannica Tan, David Salas, and Tyler Szeto) to prepare for Fall Rally.

Look forward to many Division 16 events such as a division wide clothes and shoe drive as well as D16 Olympic Games, D16 Winter Chill, D16 Movie Night, and D16 fundraisers.

If you ever have any questions, comments, concerns or SUGGESTIONS, please do not hesitate to contact me!

Your LTG,

Claudia Diaz

save the dates!

Hey Clubbers!

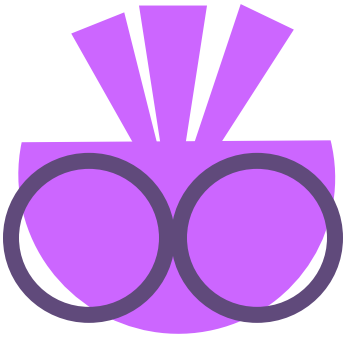
Want to volunteer this summer but don't know how?

Keep reading!

Food Drive: Hold a food drive at one of your local supermarkets (make sure it's okay with them first) and ask people to buy a can of vegetables or fruit to donate for those in need! These can be year round and for those months that are slow.

Book Drives for http://www.bookends.org/
California ranks 49th in books-per-pupil in its elementary school libraries and last in the US in terms of public library access.

Volunteering Opportunities



Trail Maintenance (For schools in Santa Clarita)
Ed Davis Park in Towsley Canyon
24255 The Old Road, Newhall, CA 91321
Do you enjoy nature? Come help us maintain local MRCA trails in Santa Clarita Valley including Whitney Canyon, Elsmere Canyon, Rice Canyon, Towsley Canyon, and Pico Canyon. We meet every Wednesday and the 2nd and 4th Saturday of the month and do one of the following activities. Tread Repair - Level trails - Install and maintain water bars to prevent erosion Brushing - Remove overgrowth and weeds from trails Reestablish Old Trails Tamarisk Removal - Tamarisk is an invasive non native plan

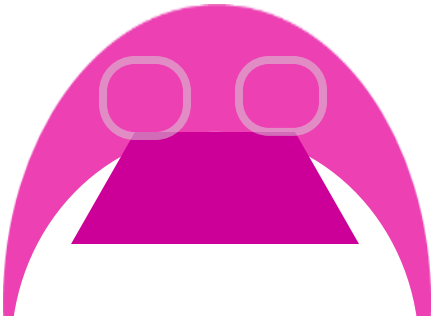
Volunteering Opportunities



The Violence Intervention Program is a unique multi-disciplinary partnership between the VIP medical clinics for child abuse and elder abuse at LAL-USC Medical Center and the VIP Community Mental Health Center.

School is starting less than two months and we all know how exciting it is to buy new school supplies. These kids sadly cannot afford any of the school supplies, so VHS Key Club as well as many other organizations are partnering with them to help provide for their needs so that these children do not feel left out or feel bad because they cannot afford something.

All donations need to be received by August 2nd to be organized and ready by our August 6th event. You may drop it off at my house (message me for my address) or I can pick it up from your house.

Here is a list of supplies needed. You can also buy the supplies at any stores. You may buy one, two, ten, or as many as you want to buy :)
Kinder-3rd wish list:

Volunteering Opportunities

Running out of places to volunteer for the summer?

Alex's Lemonade Stand Foundation (ALSF) emerged from the front yard lemonade stand of cancer patient Alexandra "Alex" Scott (1996-2004). In 2000, 4-year-old Alex announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Since Alex held that first stand, the Foundation bearing her name has evolved into a national fundraising movement, complete with thousands of supporters across the country carrying on her legacy of hope.

Arleta's New Facebook Page

A new school year is about to begin, so it is time to get the 2013 – 2014 Key Club up and running. So to get things started, our Arleta High School Key Club President Samantha Rivera has created a Facebook page. This page was created to get students at Arleta High School involved in upcoming events. Since the school year hasn't begun quite yet, we are planning to advocate through this Facebook page any upcoming club event for students to participate in.

An upcoming event that has been scheduled is the Children's Hunger Fund. This event is going to take place August 8, 2013 and more information has been added to the Facebook Page titled "Key Club AHS."

Providence Thanks Retiring Officers

BY: REGINA BENEDICTO

On June 27, 2013 Providence High School Key Club had lunch/dinner at Hokkaido Seafood Buffet at Burbank to say their last goodbyes to the old officers, wishing them luck in college and giving each a gift to thank them for their hard work and for teaching the upcoming officers

club.news

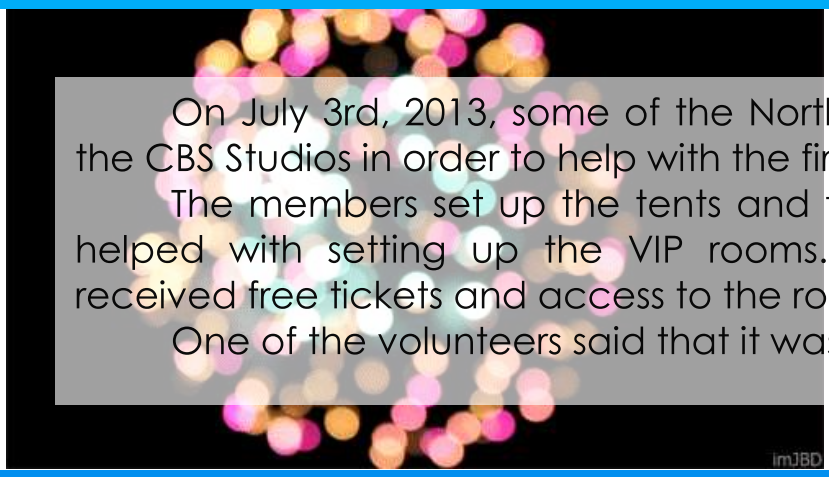
Burbank Auctioned Gala

BY: DOHEE LEE

The Officers were auctioned at the last Take Over in serving for a day in this gala. The Gala was on the Saturday evening at the Lakeside Golf Club. Officers greeted and helped selling tickets for the Center Pieces placed at each reception tables. The center piece was an autographed book of Debbie Reynolds surrounded by an assortment of flowers. We sold the tickets at the front door in our formal attire. Also, we were able to meet famous Debbie Reynolds! We were really blessed in this experience in such a luxurious environment and kind guests.

North Hollywood CBS Studios

BY: YECHAN LEE



On July 3rd, 2013, some of the North Hollywood Key Clubbers went to the CBS Studios in order to help with the firework shows preparations.

The members set up the tents and the chairs for the guests. They also helped with setting up the VIP rooms. In rewards of their efforts, they received free tickets and access to the rooftop.

One of the volunteers said that it was a very fun experience.

Canyon: The Shoe Crew

BY: RACHEL COOK

What is Shoe Crew? Or should I say who is Shoe Crew? Shoe Crew is a group of teens from Hollywood that strive to make a difference. They have events where people bring shoes to better the lives of underprivileged kids. They have done many events in the past that have been very successful and they aren't stopping now. In fact, they are just getting started.

Shoe Crew has a big task ahead of them. They want to fill an entire warehouse full of shoes for people. They are planning on doing this by the end of summer. They have lots of events coming from June 6th to August 18th. Make sure you guys check them out and don't forget to bring a pair of shoes with you! Look on the additional information page to see when and where her next events are.

club.news

Burbank's Jamboree

BY: DOHEE LEE

This event was divided into two main times: the morning and the rest of the day. At first, Key Clubbers collect tickets for a breakfast the convention was hosting. When the breakfast finished, the main job was given which required the members to help Ancestry.com with their service of scanning documents. Other jobs throughout the day were: helping out at various booths, carrying boxes and signs, and handing out the syllabus. Miss Jane, the head volunteer, treated us extremely well. She gave us free lunch and goodies from the actual convention, and complimented everyone she could that the Burbank High School Key Club was there to provide our services. It was really great working with her!

FAMOUS KEY CLUBBERS from Alemany

BY: DANIELLE BYERS

It's no doubt that anyone who is part of the key club of any sort is a leader but many people don't know that some actual world leaders were once a part of key club as well. Some of these world leaders include former president Bill Clinton as well as senators Bob Graham, Trent Lott, Richard Lugar, Mitch McConnell, Bill Nelson, and George Voinvich. Elvis Presley who graduated from Humes High School in Mephis, Tennessee in 1953 also participated in the key club. Some A-list actors were also once a part of key club including Tom Cruise and Brad Pitt. Tom Cruise graduated from Glen Ridge High School in New Jersey in 1980. Brad Pitt graduated from Kickapoo High School in Springfield, Missouri in 1982. These influential actors have brought the spirit of key club into their adulthood and have used their fame and influences to help people. For example, Elvis Presley supported many charities in his lifetime and he played several benefit concerts. Bill Clinton on record has supported as many as fifty-four charities including Red Cross, Make-A-Wish foundation and The Rainforest Foundation.

Project greenlight

Providence Key Club

On June 24-26 The Jensen-Schmidt Greenlight Tennis was held at the Burbank Tennis Center in McCambridge Park! It was a

three day event where Key Clubbers played with a little child with Down Syndrome! It's a great way to help the Burbank community, impact children's lives and to help and support them. Key club has truly impacted the Burbank Community being featured in the Burbank Leader stating "The Key Club members served as "buddies" for many of younger athletes, helping them get to the various stations and generally assisting them throughout the three days."- Jeff Tully

Bellarmine-Jefferson Key Club

Key Clubbers in and around the Burbank area participated in Project Greenlight from June 24-26. Members went to the Tennis Center at McCambridge Park to help those with Down Syndrome and play some tennis with them! Burbank High has made this project known and it is a great opportunity to bring some

fun and smiles to these teens with Down Syndrome. These are memories that these boys and girls will never forget for the rest of their lives. Over 400,000 Americans today live with Down Syndrome, but thanks to medicine and science of today, they are able to live healthy lives with no risk of future conditions. (Source: ndss.org)

greenlight continued

Burroughs Key Club

On June 24, 25, and 26th Burbank High School's Key Club hosted their annual Project Greenlight event held at the Burbank McCambridge tennis center. Project Greenlight gave all the key clubbers in our division the opportunity to interact and help a child suffering from Down Syndrome. Each member that attended was partnered with a child with this disorder and became their buddy who spent the day with them and interacted with them through the various activities set up. It was definitely a memorable and great experience that all who attended can agree upon.

At the Burbank McCambridge tennis center each one of the courts had different activities set up for the kids and their buddies. Among these activities included obstacle courses, baseball, hula hooping, squishy Frisbees, etc. And of course tennis was the number one activity played. The kids enjoyed playing each and every one of the activities, and most importantly they enjoyed the company of their buddies. There was an immediate connection and bond formed between each kid and their buddy. It was a very gratifying and pleasing feeling being able to spend time and help kids that unfortunately are living with their disorder, but despite their disorder it does not prevent these kids from having fun. These kids definitely know how to have fun and find such amusement and happiness in the simplest of things.

Project Greenlight was certainly one of my favorite events this year so far, and if you were unable to attend I highly suggest you attend next year. The memories made and laughs shared during this key club event will forever be cherished and remembered. And the friendships formed and bonds made will most definitely be remembered as well. Thank you to all that attended and contributed to this wonderful experience, and thank you to all the kids that attended as well who gave us the opportunity to spend three amazing days with you all.

event will forever be cherished and remembered. And the friendships formed and bonds made will most definitely be remembered as well. Thank you to all that attended and contributed to this wonderful experience, and thank you to all the kids that attended as well who gave us the opportunity to spend three amazing days with you all.

North Hollywood Key Club

North Hollywood Key Clubbers attended Burbank Key Club's event, Project Green Light, from June 24th to June 26th.

Project Green Light is about spending times with children who has Down syndrome in order to improve their concentration. The volunteers are paired up with them and they participate in many different activities on the tennis court.

Not every member was able to attend for all three days but many Clubbers said that they were able to form a special bond within just one day.

Rebecca Lee

On June 29th, mem-bers of D16 and D25W were invited to attend the Gatsby themed 2013 Banquet. Dressed in their finest, key clubbers were celebrating, from 6-11 PM, a successful Key Club year.

At Elks Lodge in Ca-noga Park, the weather was warm and the atmosphere was lively. With DJ Craiben providing the music, it was hard for the guests to stay seated.

Special awards were given out that night to recog-nize the members that roared the loudest and shined the brightest in service and spirit.

Pictures are available courtesy of Rebecca Lee. They can be found on her Facebook page. Don't forget to tag you and your friends.

Submitted by:
Valencia Key Club

div.news

Golden Points:Valencia

Upon reviewing old Division 16 folders from 2000, 2005, and more, [LTG Claudia] found that Division 16 used to have a point sys-tem used to encourage clubs and officers to go above and BEEyond.

So what exactly are these? As a friendly competi-tion between clubs in Divi-sion 16, points will be awarded to clubs but only if certain clubs meet certain requirements. The catego-ries and their worth points can be viewed in the images attached. This goes in effect July 1st, so submissions this month go towards your club's points! Every month, you will be updated on how many points each club has through the Division 16 Newsletter and through the reflector. (:

At the end of the year, whichever club has the most points will receive a prize like no other that includes a trophy and more for the most GOLDEN club of the year. So what are you waiting for!? Get on with attaining the most points so that the club you serve can be named the most GOLDEN club of the year!

div.news

CONGRATULATIONS!

To the following white tigers who are getting recognized for all their hard work

MEMBER OF THE MONTH

Maddy Agaron from John Burroughs

"for her outstanding work in our club. Although we have many members in our club, Madeline truly stands out. When she first joined the club not too long ago, she suddenly became one of our most active members. Whether it was a small fundraiser or a big event, Madeline would be there. Whenever we were in need of plenty of volunteers, Madeline was more than happy to assist. She also contributed most to the growth of our club by getting her friends and other students involved. Throughout the month of June, I saw her to be a key member of our team."

CLUB OF THE MONTH

Burbank Key Club

"for continuing to go above and BEEyond serving their home, school, and community despite it being the summer when many Key Clubbers take a break from service. Burbank High School Key Club achieved 615 hours of service for the month of June and so far since March has achieved a total of 2,447 service hours. Keep up the great work Burbank!"

OFFICER OF THE MONTH

Stephanie Javier from Hart High School

"for her undying spirit and love for Key Club, always ensuring that Hart Key Club officers are getting their job done and that the club is maintained active. She also is an active member on the CNH KC President's Reflector offering help to those amazing Presidents who ask great questions. Stephanie continues to serve and show her white tiger stripes wherever she goes."

international

There was DCON…then there was ICON. The Key Club International Convention is currently in session and Key Clubbers around the world, (yes the world!) have gathered in the beautiful capital of the U.S., Washington D.C. to share their love and passion for service with each other. Members are there for a full week, attending workshops, social activities, and exploring the beautiful city of D.C. Our president, Briana Hillo is currently there representing the CNH District, R7, D16, and Bell-Jeff's Key Club! This is a once in a lifetime opportunity and we wish the best of luck and safety for everyone there.-Romulo Dinsay (Bell-Jeff Bulletin Editor)

KEYCLUB CONVE
WASHINGTO

International Convention (ICON) is the most important event on the Key Club International calendar. Key Club members from around the globe will gather at this year's ICON Providence High School Key Club President, Jeannica Tan packed up and headed to Washington D.C. to discuss everything Key Club, elect a new Key Club International Board, and educate themselves on how best to improve themselves and their homes, schools, and communities. During ICON Key Clubbers spent 4 hours packing 81 boxes for Kids Against Hunger; meals which will feed about 2,916 hungry children. Also Key Clubbers visited the Whitehouse, Capitol, and other monuments. – Regina Benedicto (Providence Bulletin Editor)

convention

Attending monsters univ? or any ?

Don't know what Circle K is?
Then it's time to hit the books!

- **What is Circle K?**
  Circle K is basically Key Club after College. It is for Alumni to join and many colleges have Circle K.

- **What do Circle K members do?**
  Circle K supports many organizations Key Club does including Kiwanis, Unicef, March of Dimes, etc. Circle K members volunteer and also participate in events and projects such as the Rose Float Parade.

Then make sure to join circle k!

- **How do I join?**
  Find out if the college or university you are at or are going to has a Circle K organization. (If not, start one!) But basically find out how to join at your school and from then on it should be easy!

- **How do I know if my college or university has Circle K?**
  Check out this website:
  http://www.circlek.org/Join/ClubLists.aspx
  Which is basically the Circle K International website. You can also check the same website for more information!

- **Why should I join?**
  Because by joining Circle K, you can still be connected to the same Key Club you were in during High School. And if you weren't in Key Club during High School and wish you were, here's a second chance. Well, close to a second chance.
